SANTA MARIA FAIRPARK’S COMMITMENT TO SAFETY

Each year the Santa Maria Fairpark looks for an opportunity to enhance the safety of our families that visit our fairgrounds. Last year we were able to purchase new uniforms for our Security Guard staff. This year we have purchased Walk-Through Metal Detectors for our entry gates.

Families come to the Fairpark to enjoy all the festivities that take place here on the grounds and we want them to feel safe and secure while they visit us. These Walk-Through Metal Detectors are just another way of making the Fairpark a fun place to visit.

Be sure to visit us at the 120th Annual Santa Barbara County Fair, July 13th-17th; come see the “Bright Lights & Magical Nights”. Enjoy our free Main Stage Entertainment each evening including, Tracy Lawrence on Wednesday, Boyz II Men on Thursday, Rick Springfield on Friday Night and Clint Black on Saturday, this year’s fair will also feature an all new carnival, Helm & Sons.
