

Mission Statement

To showcase our community's interests and talents, and offer opportunities for participation, education, and enjoyment by providing well-managed, multipurpose, year-round facilities that promote agriculture, aerospace, industry, commerce, and tourism.

Vision Statement

To provide every guest with a friendly, unique, and satisfying experience, which consistently exceeds their expectations.

Values

We have an obligation to support all our communities and to create important venues for education, recreation, and entertainment.

The ideas and opinions of our employees, volunteers, and the public, are essential in creating a successful, self-sustaining, financially stable organization.

Providing a memorable showcase for community pride and spirit will best represent the interests and desires of the diversified communities we serve.

Maintaining a clean, safe and attractive environment maximizes full use of our facilities and provides a positive economic impact on our communities.

Year-round events and participation by people of all races, ages, creeds and cultures benefits everyone by promoting awareness and ethnic harmony. Change and competition makes us stronger by providing opportunities for education, self-discipline, responsibility, recognition, and self esteem.
