# Satellite Wagering

## Comes to a Close at the Santa Maria Fairpark

The current location of the Satellite Wagering, "*Horse Man's Club*", will close its doors on September 15, 2011. Scotwinc/Notwinc has been managing the facility at the Santa Maria Fairpark for the past few months and will announce their new Santa Maria location in the near future. The home of the Satellite Wagering has been at the Fairpark for more than 20 years. The industry has seen a real "slow down" with the current economy and internet availability. Fairpark CEO, Dennis Pearson, says the vacated facility will undergo an interior remodel, making it available for 2012 Interim events. For further information on the new location of Satellite Wagering, call Rick Baedeker of Scotwinc/Notwinc at (310) 345-3416.
